The Endeavor Awards celebrates and honors volunteer pilots and provides support to the organizations that arrange donated flights to those in need. Every year, thousands of donated flights save lives, provide access to medical care, transport Veterans, rescue animals, fly for conservation, aid in disaster relief and contribute to the public good in communities worldwide.

The Endeavor Awards are dedicated to:
• Increasing awareness of the contributions of aviation to the public good
• Encouraging more pilots and aircraft owners to become engaged in Charitable Aviation
• Increasing support for all Volunteer Pilot Organizations

Over the last 6 years, Endeavor Awards has raised more than $3 million, enabling thousands of free flights to be arranged for people in need across the country.

“Each day of the year, across America, pilots are getting into their personal aircraft and dedicating their time, their airplanes, and their own money to make a difference. They are flying sick kids, cancer patients, rescue dogs, wounded vets, disaster response flights, and many other missions of assistance. We established the Endeavor Awards to honor these volunteer pilots and support the nonprofit volunteer pilots organizations that make these flights possible.”

- Mark Wolper, Angel Flight West Command Pilot & Endeavor Awards Co-Chair

Get Involved
There are many ways to help support this incredible event and cause. Please let us know in which ways you would like to get involved:
• sponsor
• attend and promote
• nominate a worthy volunteer pilot

www.EndeavorAwards.org
Founded in 1983, Angel Flight West delivers health and hope using donated flights to serve those with healthcare or other compelling human needs. In the air, Angel Flight West links volunteer pilots and commercial airlines with people whose non-emergency health needs require air transportation to access care. On the ground, volunteer drivers ("Earth Angels") ferry passengers to and from their medical appointments and airports.

In 2016, Angel Flight West launched the "Ascent to 8000" campaign, to double the number of flights we fly annually and the number of people we serve. To do this, we need your help!

- HOW YOU CAN HELP -

Volunteer as a pilot or driver
Join as a non-transportation volunteer to assist with outreach, administration, and fundraising work
Make a donation
